> **Author's Response**
> Thanks for the great ideas! You can drink the invisibility option to become temporarily invisible, but I'll be sure to add more effects! Great idea. Thanks for using the plugin and the review :)

zimbabweh ★★★★★   Version: 1.3
MazeHunt is a great addition to any server. The map ideas are endless, and they don't even have to be a maze. Playing in a large mansion is also very fun, or a large forest. Recommend to everyone, this game is awesome.
